

Juvenile Corrections and Prevention Services (JCAPS) wants to thank the Liberal Police Department, Seward County Sheriff's Department, Seward County Fire Department, along with the community members and their families that came out to support the Mentoring4Success program.

We would also like to give a special thank you to Cory and Tessy Barnett with the Liberal Youth Hangout for organizing this event and providing the Archery Tag for all to play, and to those community members who applied to be mentors for our youth.

It was a fun evening and amazing to see community members come together to help support the youth we work with in their journey of becoming the best versions of themselves!

Mentoring4Success (M4S), a program of the Kansas Department of Corrections (KDOC), is a statewide initiative that delivers mentoring services to help offenders safely and successfully stay in or return to their communities. Ken Davis and Emily Steimel are the Mentoring4Success Coordinators for KDOC Juvenile Services, based out of the Kansas Juvenile Correctional Complex. Together, they work hand-in-hand to connect juvenile justice involved youth with safe and caring mentors to assist youth with employment, education, housing, family relationships, aftercare requirements, treatment, mental health needs, survival needs, and cognitive/pro-social needs. M4S Juvenile Services supports youth by providing wrap-around services, equipping them with the right tools, and putting them in the best position for success and positive opportunities.

If you would like to become a mentor or volunteer in another capacity for JCAPS, please contact Cristy Mulanax at 620 626-3340 or cmulanax@sewardcountyks.org
