

# Seward County CARES CRF Funding Update

## October 16, 2020

**Seward County continues to see strong applications for funding - Award announcements coming soon!**

Seward County continues to work with residents, businesses, school districts, and other eligible CARES applicants to ensure that the \$6.4M of CARES Coronavirus Relief Grant Funding targets the most pressing needs of the County while also improving our future resilience. The charts below detail out the amount of reimbursement that has been distributed and the number of applications that have been sent into the County's Grant Programs. We strongly encourage everyone to visit the County's webpage and apply for grants to support yourself or your organization: <http://www.sewardcountyks.org/447/Seward-County-CARES-Act-Coronavirus-Reli>.

**Reimbursement and FEMA Matching: \$346,153.63**
